CANINE GOOD NEIGHBOUR

IMPORTANT! FOR YOUR INFORMATION:

- These Canine Good Neighbour tests, sanctioned by the CKC (Canadian Kennel Club) will be held outside at GUIDES CANINS, in conjunction with other events.
- To participate in these tests, purebred or mix bred dogs must be at least 12 months old, must have proof of vaccination or certificate and be in good standing with their municipality (must have a tag or a proof of registration according to the applicable local dog control law).
- The purpose of the test is to identify and reward responsible, caring owners and their canine partners throughout Canada. To ensure that our beloved companion, the dog, is accepted as a valued member of our communities right across the country. Canine Good Neighbors can be counted on to have good manners at home, in public places and in the presence of other dogs.
- The test is non-competitive and allows dog and handler to demonstrate confidence and control in 12 situations. It assesses the handler/dog relationship, along with the handler's ability to control the dog. Dogs are evaluated on their ability to perform basic exercises as well as their ability to demonstrate good manners in everyday situations.
- The CGN test embraces both purebred and mixed-breed dogs and is fun, rewarding, and useful. It encourages owners to have a better and richer relationship with their dogs. The program also enhances community awareness of responsible dog ownership and the numerous benefits associated with such ownership. The Canadian Kennel Club encourages all dog owners to participate in the program, ensuring that our beloved canines are welcome and respected members of our communities.
