In order to protect the award/titles earned, the non-member will have the choice either to become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be canceled. These fees apply only for dogs wholly owned by non-CKC members and are not applicable to CKC members.

- A \$20 fee will be charged for NSF checks and refused credit cards.

## PROCEDURE

- An email with general instructions and running orders will be sent the Wednesday before the event
- Handlers need to arrange for a releaser and a catcher; bring a friend, or ask another handler to help each other. If your dog is very strong and has intense prey drive, you may want to bring 2 friends.
- This sprinter event will be on a 'run-card' running order, before each run the dog must pass through 'roll call' to verify that they are not injured. This will be based on a first come first serve basis. A minimum of 3 dogs must be placed between each run (dogs CANNOT run back to back in order to avoid injury).
- Each day the board to put your names down will open 1 hour before the event. Upon arrival at the competition, you will receive your scorecards. While following the pre-established schedule, you will check in at the ring and sign up on the running order board.
- All names must be put onto the board before 5 p.m. to ensure that we have enough time to get through everyone. Dogs not on the board before 5 p.m. will not be allowed to run.
- A lunch break will take place at noon each day.
- Ribbons will be given out at the end of each run with the points on the back. Title ribbons will be awarded for each title for Event. Please let us know if a title is a possibility for you!
- The results will be posted on site and sent by email at the end of the day.
- Results will be published on site and also on the website, as soon as possible at the end of the events.
